## CAREER CENTER

# Online Career Resources

All resources can be found at [indianastate.edu/career-center](https://indianastate.edu/career-center)

## *Handshake*

This online service allows students to set appointments with career coaches and sign up for workshops and events. Additionally, students are able to search and apply for internships and jobs posted specifically for ISU students. To access Handshake, students must log into their MyISU portal or the Handshake app.

Focus 2 Career is an online exploration tool that allows students to assess their career-relevant personal qualities and explore career fields and academic majors that are compatible with their assessment results. Visit [indianastate.edu/about/engagement/career-center/students-alumni](https://indianastate.edu/about/engagement/career-center/students-alumni) and look under Career Prep Resources. Then make an appointment with a Career Coach to discuss assessment results.

Hiration is an AI-powered platform designed to support job seekers with their career development. It offers tools for résumé and cover letter building, LinkedIn profile optimization, and interview practice leveraging AI to provide feedback. Visit [indstate.hiration.com/](https://indstate.hiration.com/) and use your ISU email to get started!

Coursera is an online platform providing professional certificates and credentials designed for career advancement, changes, and personal growth. Our programs cater to students, staff, and faculty, offering in-demand skills across diverse fields like data science, IT, business, and humanities. Enjoy self-paced learning and earn valuable certificates to enhance your resume. Visit our website for full program details.

What Can I Do With This Major? helps connect academic majors to careers. This site provides information to students exploring multiple majors or searching for information about their chosen field. Each major has information about the industries and employers that often hire students with these majors and how to get started in a particular field.

Ascend Indiana is a nonprofit agency helping to connect students to jobs & internships in Indiana. They work with students of ALL MAJORS and have hundreds of partnerships with employers across the state. They connect students with a career advocate, make personalized employment recommendations, and help to elevate applications for internships, part-time, or early-in-career full-time jobs. To get started, visit [ascendindiana.com](https://ascendindiana.com).
