Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable.

The Program Handbook (<https://catalog.indiana.edu/content.php?catoid=45&navoid=30114&transfor=credit-prior-learning>) describes program policy to receive previously completed coursework for transfer credit on a case-by-case basis. Graduate work which has been completed previously will be evaluated by the program to determine what credits are applicable to the student's program. The first project and a minimum of 30 credit hours of work, exclusive of the first 12 credits, must be taken in residence at Indiana State University. In some cases, transfer credit can shorten the time-to-completion by 1-2 years. The university policy on graduate transfer credit is available here: <https://catalog.indiana.edu/content.php?catoid=45&navoid=30114&transfor=credit-prior-learning>
