Director's Message

Historically, the Individualized Education Program Technical Assistance Center (IEP TA Center) has offered an array of services to assist Indiana educators. The IEP TA Center promotes best practices to improve outcomes for students with disabilities while conveying a belief in shared responsibility and equitable access benefitting all students.

Since October, the IEP TA Center has not been able to provide services at no cost; however, we are continuing to offer resources, professional learning, and technical assistance through the Blumberg Center at Indiana State University (ISU). Browse the booklet for an overview of low-cost trainings or contact us directly to request technical assistance to support the specific needs of your school or district on a fee-for-service basis.

It is our hope that we can continue to serve Indiana districts by providing the most timely and critical information to further develop the knowledge, skills and capacity of educators and improve outcomes for all students.

Bruce Kulwicki, Ed.D., Ed.S., Director
[Blumberg Center, Indiana State University](#)

Information

These trainings are provided by the Blumberg Center for Interdisciplinary Studies in Special Education at Indiana State University. The Center offers technical assistance to schools and districts by providing resources, professional learning, coaching, and implementation support.

Location:

White Oak Professional Development Center
7221 E. US Highway 36
Avon, IN 46123

Training Schedule:

Registration Check-In: 9:00 – 9:30 AM EST
Workshop: 9:30 AM – 3:30 PM EST
Lunch (on your own): 12:00 – 1:00 PM EST

Registration:

To register, complete the online registration form for each training of interest. Registration forms can be found <https://bit.ly/bctrainings>.

Payment:

Training cost is \$50. Payment by check, purchase order, or credit card (Visa and Mastercard) is accepted. To process payment, contact Kiara Shapuris at (812) 237-2830 or kiara.shapuris@indstate.edu. All credit card payments are non-refundable.

The deadline to register and process payment is the Friday prior to the training date. In addition, requests for cancellations must be received in writing by the Friday prior to the training date.

Questions:

For questions, please contact Bruce Kulwicki at (812)237-237-2147 or bruce.kulwicki@indstate.edu.

Effective Leadership in Special Education

Date:

Wednesday, January 21, 2026

Session Description:

Special education presents unique challenges for school leaders. These complexities require knowledge and foresight to successfully navigate the broad range of state and federal requirements. This interactive professional learning experience provides a comprehensive and practical overview for school leaders, equipping them with the information and understanding necessary to implement legally compliant practices.

Target Audience:

- Building Administrators
- District Administrators

Writing Skill-Based Measurable Goals and Progress Monitoring

Date:

Wednesday, February 25, 2026

Session Description:

Measurable goals are the backbone of an effective Individualized Education Program (IEP). This session is an in-depth look at the process behind developing and implementing skill-based goals and methods to monitor student progress. Participants will learn how to write a skill-based measurable goal, and develop plans for Progress Monitoring to assess student progress.

Target Audience:

- Special Education Teachers
- Related Service Providers
- Speech Language Pathologists
- Special Education Administration

Registration Link: <https://bit.ly/bctrainings>

Explicit Instruction: Clarity, Structure, and Success

Date:

Thursday, February 26, 2026

Session Description:

Explore the critical components of explicit instruction—clear objectives, step-by-step guidance, and direct teacher-student interaction. This session will highlight effective teaching techniques that ensure students understand and retain core concepts, providing students with the knowledge they need to explore and expand skills in each content area.

Target Audience:

- General Education Teachers
- Special Education Teachers
- Instructional Coaches

Registration Link: <https://bit.ly/bctrainings>

Technical Assistance
