At the end of this application, please submit a writing sample to be evaluated as part of the admission process. Your paper should respond to the following areas:

I. Work Experience Related to Educational Administration

- A. Applicant must discuss in detail all professional work experience related to desired specialization, such discussion should include, but is not limited to:
 - 1. Professional leadership positions held and an overview of responsibilities and accomplishments
 - 2. Memberships, elected offices, honors or awards in professional organizations or honor societies or related to specialty area.
- B. Applicant must discuss in detail all research and publication/presentation experience that relates to desired specialization. Such discussion should include, but is not limited to, competitive grants, and state or national publications and presentations.
- C. Applicant must discuss in detail work activity pertinent to educational administration. Such discussion should include documentation of accomplishments in addition to, not embellishments of, information already provided.

II. Professional Goals

Applicant should discuss in detail reasons for the pursuit of the desired specialization in educational administration and how this program will help you to achieve your goals.
