

OLLI at ISU

BEST AVAILABLE PARKING

 The following chart shows the best available parking that is closest to the various buildings.

 The first column shows the closest parking either free or paid.

 The second column shows the closest free parking.

 Free parking means any staff or student lot that is covered by your OLLI at ISU parking pass.

 The map on the back of this page shows only those parking areas in which you are **LIKELY** to find a spot. There are certain parking lots on campus that tend to fill up first thing in the morning and do not clear out until the end of the work day, so it was pointless to include them on this map.

 Keep in mind that parking availability is subject to change due to various construction projects that may be happening across campus.
