Dear Dr. Bradley:

An attached Additional Locations Report indicates new active additional locations and modifications to additional locations that were approved and are now recognized by the Commission. The Commission's web site, [www.ncahlc.org](http://www.ncahlc.org), has been updated for the institution's Statement of Affiliation Status (SAS) and Organizational Profile (OP). The SAS is a summary of the institution's ongoing relationship with the Commission. The OP indicates demographic, additional location, or distance education information you reported in your Annual Institutional Data Update and reflects any relevant changes as requested.

Please be aware of Commission policy on planned or proposed institutional changes that require Commission action before their initiation. If you have any questions about how planned institutional changes might affect your relationship with the Commission, please write or call John A. Taylor, your staff liaison.

On behalf of the Board of Trustees, I thank you and your associates for your cooperation.
