

Indiana State University  
School of Nursing  
Undergraduate LPN to BSN Track

Required Pre Admission Courses Checklist

Instructions: One of your first steps to admission the online LPN/LVN to BSN Track of the Baccalaureate Nursing Program is to complete a transcript evaluation.

Your prior coursework will be evaluated by a nursing transcript specialist to determine if you have completed the following pre-admission courses.

Please note that courses may be taken within a traditional college classroom setting or through credit by a CLEP examination.

Please visit [University Testing](#) for further information regarding credit by examination.

- ENG 101 & 105 or ENG 107 - English Composition 1 & 2 (6 credit hours)
- CHEM 100/100L – Chemistry (4 credit hours)
- BIO 231/231L & 241/241L – Anatomy & Physiology 1 & 2 (6 credit hours)
- BIO 274/274L – Microbiology (3 credit hours)
- PSY 101 - General or Intro Psychology (3 credit hours)

[BIO 412](#) (Pathophysiology) is a course currently required once admitted into the major. Discussion has begun to require BIO 412 as a pre-admission course into the LPN to BSN major. Please consider taking this course if you are looking for additional courses to complete prior to admission into the nursing major.
